

# Pattullo Bridge: Overnight Northbound Lane Closures

May 14, 2024

Construction of the new bridge deck is ongoing in Surrey with crews lifting steel girders between the main bridge and off-ramp foundations just east of the existing Pattullo Bridge. On May 17, Fraser Crossing Partners will require an overnight closure of the Pattullo Bridge in the northbound direction due to the proximity of the girder installation equipment to the existing bridge in Surrey. An additional overnight closure on May 18 may be required. The closures are noted in the table below:

Closure #	Closure Dates	Time	Direction closed
1	Friday, May 17	9 p.m. – 5 a.m.	Pattullo Bridge Northbound (towards New Westminster)
2	Saturday, May 18 (if required)	9 p.m. – 5 a.m.	Pattullo Bridge Northbound (towards New Westminster)

Pattullo Bridge users going to New Westminster are encouraged to take the Port Mann or Alex Fraser bridges during the northbound lane closures. Northbound N19 NightBus trips will be rerouted over the Queensborough and Alex Fraser bridges, and affected customers should plan for an additional 30 minutes of travel time. Emergency vehicle access, and access for pedestrians and cyclists, will be maintained.

TransLink’s single lane closure for southbound traffic (drivers travelling from New Westminster to Surrey) on the Pattullo Bridge will remain in effect and one southbound lane will remain open.

## What to Expect

**Timing**  
Friday, May 17 to Saturday, May 18  
Saturday, May 18 to Sunday, May 19 (if required)

**Hours of Work**  
9 p.m. – 5 a.m.

**Traffic**  
Overnight closures of the northbound lanes on the Pattullo Bridge. Detours will be required.

**Impacts/Interruptions**  
Drivers and transit users may experience longer than normal travel times due to the northbound lane closures. Nearby residents may hear some noise associated with overnight work activities.

If you have questions about this work, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 phone line: 1-844-815-6149. For more information about the girder installation activities, please visit [pattullobridgereplacement.ca](http://pattullobridgereplacement.ca).
