

Daytime closure of the Royal Avenue on-ramp

June 12, 2024

On Saturday, June 15, the Royal Avenue on-ramp will be closed between 7 a.m. and 5 p.m. for Fraser Crossing Partners to remove trees that were previously trimmed in the area.

While the closure is in place, drivers wishing to access the Pattullo Bridge will be directed to use the Columbia Street loop-ramp via McBride Boulevard.

Trees removed as part of Project work will be replaced at a minimum ratio of 2:1. The Project team will work closely with municipalities and First Nations on the replacement of trees and the enhancement of sites within the Project area over the duration of the Project. This will include planting new trees and shrubs in the area. For more information about the Project’s Tree Replacement, [click here](#) or visit the Project website at pattullobridgereplacement.ca.

What to Expect

Timing
Saturday, June 15

Hours of Work
7 a.m. – 5 p.m.

Traffic
Traffic will be directed to the Columbia Street loop-ramp for accessing the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions
Drivers may experience temporary delays resulting from the detour. We thank you for your patience while this work is completed.

If you have any questions about this work, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149. For more information about the Project, please visit pattullobridgereplacement.ca.
