

Nighttime utility work on King George Boulevard near the Bridgeview Drive intersection

March 6, 2025

Starting the week of March 10, Fraser Crossing Partners will be conducting nighttime underground utility work along King George Boulevard near the Bridgeview Drive intersection. This work will take approximately one month to complete.

While this work is underway, lane closures will be required but at least one lane in both directions will be maintained. Construction activities such as excavation and saw cutting are required and may result in periods of noise. Noisy works will be completed as early in the evenings as possible.

What to Expect

Timing

Starting the week of March 10 and continuing for approximately one month.

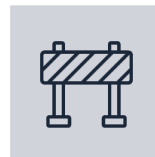

Hours of Work

Monday to Saturday from 8 p.m. – 5 a.m.

Traffic

Lane closures near the King George Boulevard-Bridgeview Drive intersection will be required but at least one lane in both directions will be maintained. Traffic control personnel will be on site to direct traffic, pedestrians, and cyclists as required.

Impacts/Interruptions

Nearby residents and businesses may hear intermittent noise from construction activities.

We appreciate your patience while we complete this work. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
